

Name tags are in. Anyone who ordered name tags, please bring a check or correct change to the next meeting.

Also, anyone who ordered chapter shirts must pick them up at the December meeting, or they will be sold. We also need correct change for these. Thanks!

You could also get ahold of Steve to arrange to get these items.

We will need volunteers to build the float the weekend of the parade. Bluff City Beer has graciously offered to let us build it in their facilities. We will meet at about 6:00 p.m. on Friday, November 27th, to do preliminary work and then we all go out to dinner. We will meet again at 3:00 p.m. on Saturday, November 28th, to do the bulk of the construction. We will probably do dinner again that night. (We are pretty sure that there will be some beer available during the construction ...) Depending on what is left to be done to it before the parade, we will meet again sometime Sunday afternoon before the parade to pull it to Capaha Park and put on the finishing touches during the line-up. The more people that show up, the faster we get it all done and the more fun we have. It may be work, but we usually have a pretty good time doing this.

Volunteers need to bring any tools they can. Drills, hammers, staple guns, hot glue guns, gorilla tape ... ANYTHING you think we MIGHT need for this project.

Hello SEMO HOGs,

The weather has been nice, so I hope you been getting to ride. We have had good turn outs at our rides. It's good to see more of you are getting interested. I like seeing big groups! I am still all about riding, having fun and getting to know your chapter members. I would like to thank Danny & Michelle for the Halloween party. It was, by far, the best one yet. Good Job! The Toy Run had a good turn out. If I counted right, we had 60 bikes. I was very pleased, and we had a good time at the Elks. I would also like to thank the Elks for all they do for SEMO HOG, and thank you Jonny Mac. The Leather and Lace Dance is Feb 27 at the Elks Lodge, upstairs at 6:30. We are trying to get a live band for this event. Christmas is just around the corner, and our Christmas Party is Dec 5 at the 4-H Building. I hope you all will attend. Minors' Christmas Open House is Sat, Dec 12. I am sure they will have good deals, and Santa will be there. I also would like to thank Brad Sample. Year after year, he always sets up our display out at Cape County Park for Christmas. Please drive by and take a look! The last thing on my mind is the Polar Bear Run on Jan 1. We will be going to Otters in Oran. Hopefully, the weather will be nice.

So remember ... put some thing exciting between your legs, ride a Harley!

Elephant Rocks Ride - November 7th

A little guy is sitting at the bar, just staring at his drink for half an hour, when this big trouble-making biker steps next to him, grabs his drink, gulps it down in one swig and then turns to the guy with a menacing stare as if to say 'Whatcha gonna do about it?'

The poor little guy starts crying.

'Come on, man, I was just giving you a hard time,' the biker says. 'I didn't think you'd CRY. I can't stand to see a man crying.'

'This is the worst day of my life,' says the little guy between sobs. 'I can't do anything right.'

'I overslept and was late to an important meeting, so my boss fired me.

When I went to the parking lot, I found my car had been stolen and I don't have any insurance.

I left my wallet in the cab I took home.

I found my wife in bed with the gardener, and my dog bit me.

So I came to this bar trying to work up the courage to put an end to my life,

-- and then you showed up and drank the poison.
