

Ladies of Harley Ride – July 10th

The Ladies of Harley have set up a lunch ride to The Branding Iron in Farmington.

The Cape group will meet at Hardees at 9:30 and leave at 10:00 a.m.
For the group coming up Highway 67, they will meet the Cape group at Wal-Mart
in Fredericktown at 11:30 a.m. Everyone will then ride on to Farmington.

Two priests were riding very fast on a motorcycle.
They were promptly stopped by a policeman who said, "What do you think you are doing?
What if you have an accident?"

The priests say, "Don't worry, my son. Jesus is with us."

The policeman says, "In that case, I have to book you.
Three people are not allowed to ride on a motorcycle."

Van Buren/Hyde's Ride
May 1st and 2nd

Due to the potentially rainy weather, only 2 bikes braved the trip to The Landing in Van Buren, and 4 bikes showed up at Hyde's, but it was a great weekend. Those who went to the Landing had a great time and met a larger group at Hyde's on Sunday for some fantastic fish.

FILMING SCHEDULED TO START FOR NEW REALITY TV SERIES FEATURING BOSTON'S EAST COAST BIKER CHICKS MOTORCYCLE CLUB

BOSTON, MA - 6/2/10 – Eight members of a Boston area all female motorcycle club called the *East Coast Biker Chicks*, will soon be featured in a new television series. Filming for the *Biker Chicz* documentary series is scheduled to start on June 19th during the annual Laconia Bike Week in Laconia NH, and continue in eastern Massachusetts throughout the summer.

Biker Chicz will focus on the positive aspects of the Harley-Davidson biker lifestyle and is being produced by an Oklahoma production company, Blockhead City Entertainment. “Our intention is to produce a happy, feel good television series that will be enjoyable to watch, and realistically capture the true nature of bikers, their spirit and the Harley lifestyle – this series will be just the opposite of what you see in shows like *Sons of Anarchy* and *Gangland*,” said Executive Producer Edward Winterhalder.

Winterhalder, a biker personality, author and the creator of the *Biker Chicz* TV series, has been riding Harleys since 1974. One of the world’s leading authorities on bikers, motorcycle clubs and the Harley-Davidson biker lifestyle; his books about the biker lifestyle are published in multiple languages and sold all over the world. “Because I have lived the biker lifestyle myself for more than thirty-five years, I feel confident that I can accurately capture for TV what really goes on in the life of a biker on a day-to-day basis,” he said.

Lucky Belcamino, the founder and current President of the *East Coast Biker Chicks*, is excited to be a part of this ground breaking concept. “Thank God someone is finally going to show the world that bikers are ordinary people from all walks of life; regular people that have families and jobs, who enjoy riding Harleys in their spare time and giving back to the communities in which they live when they can,” Lucky said.

Another Harley rider featured in the *Biker Chicz* TV series, Annie Concemi, who was recently profiled on TLC’s blockbuster series *What Not To Wear*, was adamant when she said, “Everyone I know is sick and tired of all of the negative television these days, where everyone argues and fights for sixty minutes – *Biker Chicz* will be a breath of fresh air as far as I am concerned.”

A note from the Assistant Director

Hello fellow riders. Man, has it been hot, but not on that Harley. It’s been good riding weather. I would like to say that I was really sorry to hear about Tom’s passing. I always thought Tom was a great guy. He always called me by name every time he saw me. He will be greatly missed. Also, another good friend, Gunny (some of you knew him, some didn't), will be greatly missed.

I would like to remind you that nominations and elections are coming up in August and September. Please start thinking about people to nominate that you think would be good for the chapter. I would also like to inform you that Sheri and I will not run for anything this next year. After being on the board for several years, it’s time to step down and take some time off. Everyone have a great summer, and ride safe.
